

Workshop: Psychosomatics in Contemporary Psychoanalysis

D. Panitz¹, D. Tabacof¹, P. Araoz¹, M. Linardos¹, F. Bobos¹, J. Sklar¹, W. Lassmann¹

¹ EPF Committee, *Psychosomatics in Contemporary Psychoanalysis*, Athens, Greece

Chair of Workshop

Denny Panitz, Hellenic Psychoanalytical Society

Content

We invite colleagues from all EPF societies to join our Committee Workshop on Psychosomatics in Contemporary Psychoanalysis. The workshop will center on the presentation and discussion of clinical material, with particular attention to technical questions as well as points of convergence and divergence in the understanding of psychosomatic phenomena within contemporary psychoanalysis. Through these exchanges, we hope to enrich and broaden our approaches to working with patients presenting with “new” pathologies.
